9th January 2025, Thursday | Hall 1 - Hyderabad

Theme: Infections and Vaccines

meme, miechons and vaccines	
TIME	TOPIC
	SESSION 1
09.00 - 09.20	Guest Lecture Trivial infections in Day-to-Day practice
09.20 - 09.40	Guest Lecture Child with Cervical lymphadenopathy - Approach & Management
09.40 - 10.20	Symposium Prolonged Fever - Aetiology Prolonged Fever - Diagnostic Challenges
10.20 - 11.00	Panel Discussion Fever with hepatosplenomegaly & Lymphadenopathy - Case series
11.00 - 11.20	Tea Break & Interaction
	SESSION 2
11.20 - 11.40	Unrestricted Scientific Grant Session (BBIL) Adult & Adolescent Vaccination
11.40 - 12.00	Guest Lecture AEFI - Prevention & Reporting
12.00 - 12.40	Panel Discussion Vaccine Dialogues
12.40 - 13.00	Guest Lecture Vaccination for Pediatricians - Expert Advice
13.00- 13.20	Guest Lecture Isolation Guidelines in the Hospital: Ensuring Patient and Staff Safety
13.20 - 14.00	Lunch Break & Interaction
	SESSION 3
14.00 - 14.20	Guest Lecture Combating AMR - Action Points
14.20 - 14.40	Guest Lecture Intra-abdominal Infections
14.40 - 15.20	Panel Discussion Vaccination in Special Situations - Case scenarios
15.20 - 15.40	Tea Break & Interaction
	SESSION 4
15.40 - 16.00	Debate Point of Care Diagnostic Tests: Game Changer or Overrated?
16.00 - 17.00	Mixed Bag (15 min each) Infection Mimics
	Systemic Fungal Infections
	Vaccine Mishaps: Learning from Mistakes
	Vaccines 2098 AD

9th January 2025, Thursday | Hall 2 - Warangal

Theme: Intensive Care

TIME	TOPIC
TIME	SESSION 1
09.00 - 09.20	Guest Lecture
09.00 - 09.20	Pediatric Mass Casualty Preparedness
09.20 - 09.40	Guest Lecture Simulation Based Learning in PICU: Scope
09.40 - 10.20	Expert Talk: Emergencies in ER
09.40 - 10.00	Management of Acute Neurological Emergencies in ER
10.00 -10.20	Management of Respiratory Emergencies in ER
10.20 - 11.00	Special Guest Lecture MAHABHARAT: EK PATHSHALA
11.00 - 11.20	Tea Break & Interaction
	SESSION 2
11.20 - 11.40	Guest Lecture Advances in Trauma Care in the ER
11.40 - 12.00	Guest Lecture Biomarker Crossroads: Differentiating Sepsis from Non-Infectious Inflammation
12.00 - 12.20	Guest Lecture Pediatric Septic Shock: Recognition and New Management Strategies
12.20 - 12.40	Guest Lecture Prevention of Hospital Aquired Infections in Low Resource Settings
12.40 - 13.20	Panel Discussion Fluid challenges in ICU patient: More or Less
13.20 - 14.00	Lunch Break & Interaction
	SESSION 3
14.00 - 14.20	Guest Lecture Vasoactive Agents: Beyond the Old Four
14.20 - 14.40	Guest Lecture ECMO in PICU: On the Motion with Heart and Blood
14.40 - 15.20	Panel Discussion POCUS for Precision, Diagnosis and Therapeutics
15.20 - 15.40	Tea Break & Interaction
	SESSION 4
15.40 - 16.00	Debate Open Vs Closed PICU: is it a Open & Shut Case?
16.00 - 17.00	Mixed Bag (15 min each)
	PHOENIX Vs P-SOFA
	Pediatric Nutrition in Prolonged Intensive Care Settings
	Transfusion dilemmas in PICU
1 3 1	Unusual Emergencies: Sexual Assault, Gun shot, Psychological Emergencies

9th January 2025, Thursday | Hall 3 - Adilabad

Theme: Growth & Development - Newborn to Adolescence

TIME	TOPIC
- Time	SESSION 1
09.00 - 09.20	Guest Lecture Developmentally Supportive Care in NICU
09.20 - 09.40	Guest Lecture Adjuvants in Neonatal Sepsis Management
09.40 - 10.20	Panel Discussion Modern Gadgets in NICU
10.20 - 11.00	Panel Discussion Persistent Neonatal Jaundice - Case Based Discussion
11.00 - 11.20	Tea Break & Interaction
	SESSION 2
11.20 - 11.40	Guest Lecture Pre Conception Care: Scope and Strategies
11.40 - 12.00	Guest Lecture Childhood Obesity: Who is the Real Culprit?
12.00 - 12.20	Guest Lecture Autism and Autism Mimics
12.20 - 12.40	Guest Lecture Antibiotic Stewardship in NICU
12.40 - 13.20	Panel Discussion Breastfeeding Difficulties - Solutions to Modern Challenges
13.20 - 14.00	Lunch Break & Interaction
	SESSION 3
14.00 - 14.20	Guest Lecture Lifestyle Apps for Adolescents
14.20 - 14.40	Guest Lecture Mastering Counselling Skills
14.40 - 15.20	Panel Discussion Breaking Silence: Saving Adolescent Lives
15.20 - 15.40	Tea Break & Interaction
	SESSION 4
15.40 - 16.00	Debate Nuclear Family Vs Joint family in the Perspective of Child Development
16.00 - 17.00	Mixed Bag (15 min each)
	Improving Scholastic Performance - Tips for Pediatricians & Parents
	Nutritional Suppliments For Preterm baby
	Expanded Newborn Screening - Need or Greed
1.4.1	Genetic Tests for Sick Children

9th January 2025, Thursday | Hall 4 - Karimnagar

Theme: Overseas CME

TIME	TOPIC
1	

9th January 2025, Thursday | Hall 5 - Mahabubnagar

Theme: Global Influence, Local Inspiration

TIME	TOPIC
	SESSION 1
09.00 - 09.25	Guest Lecture Safety & Quality in Pediatric ER
09.25 - 09.50	Guest Lecture Inflammatory Bowel Disease
09.50 - 10.15	Guest Lecture Disease Specific Program: Congenital Diaphragmatic Hernia
10.15 - 10.35	Guest Lecture Role of Chest X-ray in Congenital Heart Diseases
10.35 - 11.00	Guest Lecture What a Pediatrician should do after he Diagnoses Congenital Heart Disease
11.00 - 11.20	Tea Break & Interaction
	SESSION 2
11.20 - 11.45	Guest Lecture Challenges in Preterm Nutrition
11.45 - 12.10	Guest Lecture Hypoglycemia
12.10 - 12.35	Guest Lecture Late Preterm – Discharge Readiness
12.35 - 13.00	Guest Lecture Management of MDR TB
13.00 - 13.20	Guest Lecture Newer Antituberculer Druges
13.20 - 14.00	Lunch Break & Interaction
	SESSION 3
14.00 - 14.25	Guest Lecture Equity in Health Care
14.25 - 14.50	Guest Lecture HIE – An Update
14.50 - 15.15	Guest Lecture Tele Medicine
15.20 - 15.40	Tea Break & Interaction
	SESSION 4
15.40 - 16.05	Guest Lecture Artificial Intelligence
16.05 - 16.30	Guest Lecture
and the same	It is a Calling – Not a Job – Lessons from a recently Retired
16.30 - 17.00	Guest Lecture Global Perspective – Closing Notes

9th January 2025, Thursday | Hall 6 - Medak

Theme: Super Speciality Pediatrics

meme. Soper Speciality redidities	
TIME	TOPIC
	SESSION 1
09.00 - 09.20	Guest Lecture Approach to Nephrolithiasis in Children
09.20 - 09.40	Guest Lecture Advances in Pediatric Renal Replacement Therapy
09.40 - 10.20	Expert Talk Pediatric Stroke
10.20 - 11.00	Panel Discussion Pubertal Disorders - Case Based Discussion
11.00 - 11.20	Tea Break & Interaction
	SESSION 2
11.20 - 11.40	Guest Lecture Seizure Mimics
11.40 - 12.00	Guest Lecture Bronchiectasis in Children: Diagnosis & Management
12.00 - 12.20	Guest Lecture Encephalopathies in Children
12.20- 12.40	Guest Lecture Role of Molecular Diagnostics in TB
12.40 - 13.20	Panel Discussion Hepatitis - Challenging Case Scenarios
13.20 - 14.00	Lunch Break & Interaction
	SESSION 3
14.00 - 14.20	Guest Lecture Neonatal Cardiac Emergencies
14.20 - 14.40	Guest Lecture Holistic Management of Sickle Cell Disease
14.40 - 15.20	Panel Discussion Post Natal Management of Antenatal Anomalies
15.20 - 15.40	Tea Break & Interaction
	SESSION 4
15.40 - 16.00	Debate Generalist or Superspecialist: A Pediatricians Career Dilemma
16.00 - 16.20	Guest Lecture Emerging Therapies for Pediatric Asthma
16.20 - 17.00	Mixed Bag (10 min each) Pancytopenia
	Endocrine Syndromes - Spotters Approach to Constipation Bronchiolitis Obliterans in children

9th January 2025, Thursday | Hall 7 - Khammam

Theme: Allied Specialities in Pediatrics

TIME SESSION 1 09.00 - 09.20 Guest Lecture Abuse of Medications in Poultry Farms - Cause of Concern for AMR 09.20 - 09.40 Guest Lecture Inborn Errors of Immunity 09.40 - 10.20 Panel Discussion Congenital Infections: Diagnosis, Management and Prevention 10.20 - 10.40 Guest Lecture Office Emergencies in Pediatrics 10.40 - 11.00 Tea Break & Interaction SESSION 2 11.20-11.20 Symposium: Manchester, UK 11.20-11.50 Cystic Fybrosis - Overview and Management in Low Resource Settings 11.50-12.20 Deferred Cord Clamping in Neonates - A Liverpool Experinace 12.20- 12.50 Managing Status Athmaticus on Ventilator - Why Bronchodilators are not the Answer? 12.50-13.20 Manchester International Fellowship Programme - Reflection and Future 13.20-14.00 Lunch Break & Interaction SESSION 3 14.00-14.20 Guest Lecture Biologicals in Rheumatology 14.20-14.40 Guest Lecture Medical Negligence 14.40-15.20 Panel Discussion Attacks on Doctors - Tips for Protection 15.20-15.40 Tea Break & Interaction SESSION 4 Debate Dengue Fever: Outpatient or Indoor Management? 16.00-16.20 Guest Lecture Pediatric Pulmonology in Low Resource Settings Mixed Bag (10 mins each) Back pain in Pediatrics Management of Complicated Molaria	menie. Anied Specialnies in Fedianics	
99.00 - 09.20 Guest Lecture Abuse of Medications in Poultry Farms - Cause of Concern for AMR 99.20 - 09.40 Guest Lecture Inborn Errors of Immunity 99.40 - 10.20 Panel Discussion Congenital Infections: Diagnosis, Management and Prevention 10.20 - 10.40 Guest Lecture Office Emergencies in Pediatrics 10.40 - 11.00 Guest Lecture Current & Emerging Therapies for NMO 11.00-11.20 Tea Break & Interaction SESSION 2 11.20-13.20 Symposium: Manchester, UK 11.20-11.50 Cystic Fybrosis - Overview and Management in Low Resource Settings 11.50-12.20 Deferred Cord Clamping in Neonates - A Liverpool Experinece 12.20- 12.50 Managing Status Athmaticus on Ventilator - Why Branchodilators are not the Answer? 12.50-13.20 Manchester International Fellowship Programme - Reflection and Future 13.20-14.00 Lunch Break & Interaction SESSION 3 14.00-14.20 Guest Lecture Biologicals in Rheumatology 14.20-14.40 Guest Lecture Medical Negligence 14.40-15.20 Penel Discussion Attacks on Doctors - Tips for Protection 15.20-15.40 Tea Break & Interaction SESSION 4 15.40-16.00 Debate Dengue Fever: Outpatient or Indoor Management? 16.00-16.20 Guest Lecture Pediatric Pulmonology in Low Resource Settings Mixed Bag (10 mins each) Back pain in Pediatrics	TIME	TOPIC
Abuse of Medications in Poultry Farms - Cause of Concern for AMR 09.20 - 09.40 Guest Lecture Inborn Errors of Immunity 09.40 - 10.20 Panel Discussion Congenital Infections: Diagnosis, Management and Prevention 10.20 - 10.40 Guest Lecture Office Emergencies in Pediatrics 10.40 - 11.00 Guest Lecture Current & Emerging Therapies for NMO 11.00-11.20 Tea Break & Interaction SESSION 2 11.20-13.20 Symposium: Manchester, UK 11.20-11.50 Cystic Fybrosis - Overview and Management in Low Resource Settings 11.50-12.20 Deferred Cord Clamping in Neonates - A Liverpool Experinece 12.20-12.50 Managing Status Athmaticus on Ventilator - Why Bronchodilators are not the Answer? 12.50-13.20 Manchester International Fellowship Programme - Reflection and Future 13.20-14.00 Lunch Break & Interaction SESSION 3 14.00-14.20 Guest Lecture Biologicals in Rheumatology 14.20-14.40 Guest Lecture Medical Negligence Medical Negligence 14.40-15.20 Panel Discussion Attacks on Doctors - Tips for Protection 15.20-15.40 Tea Break & Interaction SESSION 4 15.40-16.00 Debate Dengue Fever: Outpatient or Indoor Management? 16.00-16.20 Guest Lecture Pediatric Pulmonology in Low Resource Settings Mixed Bag (10 mins each) Back pain in Pediatrics		SESSION 1
Inborn Errors of Immunity 09.40 - 10.20 Panel Discussion Congenital Infections: Diagnosis, Management and Prevention 10.20 - 10.40 Guest Lecture Office Emergencies in Pediatrics 10.40 - 11.00 Guest Lecture Current & Emerging Therapies for NMO 11.00-11.20 Tea Break & Interaction SESSION 2 11.20-13.20 Symposium: Manchester, UK 11.20-13.20 Deferred Cord Clamping in Neonates - A Liverpool Experinece 12.20-12.50 Managing Status Athmaticus on Ventilator - Why Bronchodilators are not the Answer? 12.50-13.20 Manchester International Fellowship Programme - Reflection and Future 13.20-14.00 Lunch Break & Interaction SESSION 3 14.00-14.20 Guest Lecture Biologicals in Rheumatology 14.20-14.40 Guest Lecture Medical Negligence 14.40-15.20 Panel Discussion Attacks on Doctors - Tips for Protection 15.40-16.00 Debate Dengue Fever: Outpatient or Indoor Management? 16.00-16.20 Guest Lecture Pediatric Pulmonology in Low Resource Settings Mixed Bag (10 mins each) Back pain in Pediatrics	09.00 - 09.20	
Congenital Infections: Diagnosis, Management and Prevention 10.20 - 10.40 Guest Lecture Office Emergencies in Pediatrics 10.40 - 11.00 Guest Lecture Current & Emerging Therapies for NMO 11.00-11.20 Tea Break & Interaction SESSION 2 11.20-13.20 Symposium: Manchester, UK 11.20-11.50 Cystic Fybrosis - Overview and Management in Low Resource Settings 11.50-12.20 Deferred Cord Clamping in Neonates - A Liverpool Experinece 12.20-12.50 Managing Status Athmaticus on Ventilator - Why Bronchodilators are not the Answer? 12.50-13.20 Manchester International Fellowship Programme - Reflection and Future 13.20-14.00 Lunch Break & Interaction SESSION 3 14.00-14.20 Guest Lecture Biologicals in Rheumatology 14.20-14.40 Guest Lecture Medical Negligence 14.40-15.20 Panel Discussion Attacks on Doctors - Tips for Protection 15.20-15.40 Tea Break & Interaction SESSION 4 15.40-16.00 Debate Dengue Fever: Outpatient or Indoor Management? 16.00-16.20 Guest Lecture Pediatric Pulmonology in Low Resource Settings Mixed Bag (10 mins each) Back pain in Pediatrics	09.20 - 09.40	
Office Emergencies in Pediatrics Guest Lecture Current & Emerging Therapies for NMO 11.00-11.20 Tea Break & Interaction SESSION 2 11.20-13.20 Symposium: Manchester, UK 11.20-11.50 Cystic Fybrosis - Overview and Management in Low Resource Settings 11.50-12.20 Deferred Cord Clamping in Neonates - A Liverpool Experinece 12.20- 12.50 Managing Status Athmaticus on Ventilator - Why Bronchodilators are not the Answer? 12.50-13.20 Manchester International Fellowship Programme - Reflection and Future 13.20-14.00 Lunch Break & Interaction SESSION 3 14.00-14.20 Guest Lecture Biologicals in Rheumatology 14.20-14.40 Guest Lecture Medical Negligence 14.40-15.20 Panel Discussion Attacks on Doctors - Tips for Protection 15.20-15.40 Tea Break & Interaction SESSION 4 15.40-16.00 Debate Dengue Fever: Outpatient or Indoor Management? 16.00-16.20 Guest Lecture Pediatric Pulmonology in Low Resource Settings Mixed Bag (10 mins each) Back pain in Pediatrics	09.40 - 10.20	
Current & Emerging Therapies for NMO 11.00-11.20 Tea Break & Interaction SESSION 2 11.20-13.20 Symposium: Manchester, UK 11.20-11.50 Cystic Fybrosis - Overview and Management in Low Resource Settings 11.50-12.20 Deferred Cord Clamping in Neonates - A Liverpool Experinece 12.20- 12.50 Managing Status Athmaticus on Ventilator - Why Bronchodilators are not the Answer? 12.50-13.20 Manchester International Fellowship Programme - Reflection and Future 13.20-14.00 Lunch Break & Interaction SESSION 3 14.00-14.20 Guest Lecture Biologicals in Rheumatology 14.20-14.40 Guest Lecture Medical Negligence 14.40-15.20 Panel Discussion Attacks on Doctors - Tips for Protection 15.20-15.40 Tea Break & Interaction SESSION 4 15.40-16.00 Debate Dengue Fever: Outpatient or Indoor Management? 16.00-16.20 Guest Lecture Pediatric Pulmonology in Low Resource Settings Mixed Bag (10 mins each) Back pain in Pediatrics	10.20 - 10.40	
SESSION 2 11.20-13.20 Symposium: Manchester, UK 11.20-11.50 Cystic Fybrosis - Overview and Management in Low Resource Settings 11.50-12.20 Deferred Cord Clamping in Neonates - A Liverpool Experinece 12.20- 12.50 Managing Status Athmaticus on Ventilator - Why Bronchodilators are not the Answer? 12.50-13.20 Manchester International Fellowship Programme - Reflection and Future 13.20-14.00 Lunch Break & Interaction SESSION 3 14.00-14.20 Guest Lecture Biologicals in Rheumatology 14.20-14.40 Guest Lecture Medical Negligence 14.40-15.20 Panel Discussion Attacks on Doctors - Tips for Protection 15.20-15.40 Tea Break & Interaction SESSION 4 15.40-16.00 Debate Dengue Fever: Outpatient or Indoor Management? 16.00-16.20 Guest Lecture Pediatric Pulmonology in Low Resource Settings Mixed Bag (10 mins each) Back pain in Pediatrics	10.40 - 11.00	
11.20-13.20 Symposium: Manchester, UK 11.20-11.50 Cystic Fybrosis - Overview and Management in Low Resource Settings 11.50-12.20 Deferred Cord Clamping in Neonates - A Liverpool Experinece 12.20- 12.50 Managing Status Athmaticus on Ventilator - Why Bronchodilators are not the Answer? 12.50-13.20 Manchester International Fellowship Programme - Reflection and Future 13.20-14.00 Lunch Break & Interaction SESSION 3 14.00-14.20 Guest Lecture Biologicals in Rheumatology 14.20-14.40 Guest Lecture Medical Negligence 14.40-15.20 Panel Discussion Attacks on Doctors - Tips for Protection 15.20-15.40 Tea Break & Interaction SESSION 4 15.40-16.00 Debate Dengue Fever: Outpatient or Indoor Management? 16.00-16.20 Guest Lecture Pediatric Pulmonology in Low Resource Settings Mixed Bag (10 mins each) Back pain in Pediatrics	11.00-11.20	Tea Break & Interaction
11.20-11.50 Cystic Fybrosis - Overview and Management in Low Resource Settings 11.50-12.20 Deferred Cord Clamping in Neonates - A Liverpool Experinece 12.20- 12.50 Managing Status Athmaticus on Ventilator - Why Bronchodilators are not the Answer? 12.50-13.20 Manchester International Fellowship Programme - Reflection and Future 13.20-14.00 Lunch Break & Interaction SESSION 3 14.00-14.20 Guest Lecture Biologicals in Rheumatology 14.20-14.40 Guest Lecture Medical Negligence 14.40-15.20 Panel Discussion Attacks on Doctors - Tips for Protection 15.20-15.40 Tea Break & Interaction SESSION 4 15.40-16.00 Debate Dengue Fever: Outpatient or Indoor Management? 16.00-16.20 Guest Lecture Pediatric Pulmonology in Low Resource Settings 16.20-17.00 Mixed Bag (10 mins each) Back pain in Pediatrics		SESSION 2
11.50-12.20 Deferred Cord Clamping in Neonates - A Liverpool Experinece 12.20- 12.50 Managing Status Athmaticus on Ventilator - Why Bronchodilators are not the Answer? 12.50-13.20 Manchester International Fellowship Programme - Reflection and Future 13.20-14.00 Lunch Break & Interaction SESSION 3 14.00-14.20 Guest Lecture Biologicals in Rheumatology 14.20-14.40 Guest Lecture Medical Negligence 14.40-15.20 Panel Discussion Attacks on Doctors - Tips for Protection 15.20-15.40 Tea Break & Interaction SESSION 4 15.40-16.00 Debate Dengue Fever: Outpatient or Indoor Management? 16.00-16.20 Guest Lecture Pediatric Pulmonology in Low Resource Settings Mixed Bag (10 mins each) Back pain in Pediatrics	11.20-13.20	Symposium: Manchester, UK
12.20- 12.50 Managing Status Athmaticus on Ventilator - Why Bronchodilators are not the Answer? 12.50-13.20 Manchester International Fellowship Programme - Reflection and Future 13.20-14.00 Lunch Break & Interaction SESSION 3 14.00-14.20 Guest Lecture Biologicals in Rheumatology 14.20-14.40 Guest Lecture Medical Negligence 14.40-15.20 Panel Discussion Attacks on Doctors - Tips for Protection 15.20-15.40 Tea Break & Interaction SESSION 4 15.40-16.00 Debate Dengue Fever: Outpatient or Indoor Management? 16.00-16.20 Guest Lecture Pediatric Pulmonology in Low Resource Settings 16.20-17.00 Mixed Bag (10 mins each) Back pain in Pediatrics	11.20-11.50	Cystic Fybrosis - Overview and Management in Low Resource Settings
12.50-13.20 Manchester International Fellowship Programme - Reflection and Future 13.20-14.00 Lunch Break & Interaction SESSION 3 14.00-14.20 Guest Lecture Biologicals in Rheumatology 14.20-14.40 Guest Lecture Medical Negligence 14.40-15.20 Panel Discussion Attacks on Doctors - Tips for Protection 15.20-15.40 Tea Break & Interaction SESSION 4 15.40-16.00 Debate Dengue Fever: Outpatient or Indoor Management? 16.00-16.20 Guest Lecture Pediatric Pulmonology in Low Resource Settings 16.20-17.00 Mixed Bag (10 mins each) Back pain in Pediatrics	11.50-12.20	Deferred Cord Clamping in Neonates - A Liverpool Experinece
13.20-14.00 Lunch Break & Interaction SESSION 3 14.00-14.20 Guest Lecture Biologicals in Rheumatology 14.20-14.40 Guest Lecture Medical Negligence 14.40-15.20 Panel Discussion Attacks on Doctors - Tips for Protection 15.20-15.40 Tea Break & Interaction SESSION 4 15.40-16.00 Debate Dengue Fever: Outpatient or Indoor Management? 16.00-16.20 Guest Lecture Pediatric Pulmonology in Low Resource Settings 16.20-17.00 Mixed Bag (10 mins each) Back pain in Pediatrics	12.20- 12.50	Managing Status Athmaticus on Ventilator - Why Bronchodilators are not the Answer?
SESSION 3 14.00-14.20 Guest Lecture Biologicals in Rheumatology 14.20-14.40 Guest Lecture Medical Negligence 14.40-15.20 Panel Discussion Attacks on Doctors - Tips for Protection 15.20-15.40 Tea Break & Interaction SESSION 4 15.40-16.00 Debate Dengue Fever: Outpatient or Indoor Management? 16.00-16.20 Guest Lecture Pediatric Pulmonology in Low Resource Settings 16.20-17.00 Mixed Bag (10 mins each) Back pain in Pediatrics	12.50-13.20	Manchester International Fellowship Programme - Reflection and Future
14.00-14.20 Guest Lecture Biologicals in Rheumatology 14.20-14.40 Guest Lecture Medical Negligence 14.40-15.20 Panel Discussion Attacks on Doctors - Tips for Protection 15.20-15.40 Tea Break & Interaction SESSION 4 15.40-16.00 Debate Dengue Fever: Outpatient or Indoor Management? 16.00-16.20 Guest Lecture Pediatric Pulmonology in Low Resource Settings 16.20-17.00 Mixed Bag (10 mins each) Back pain in Pediatrics	13.20-14.00	Lunch Break & Interaction
Biologicals in Rheumatology 14.20-14.40 Guest Lecture Medical Negligence 14.40-15.20 Panel Discussion Attacks on Doctors - Tips for Protection Tea Break & Interaction SESSION 4 15.40-16.00 Debate Dengue Fever: Outpatient or Indoor Management? 16.00-16.20 Guest Lecture Pediatric Pulmonology in Low Resource Settings 16.20-17.00 Mixed Bag (10 mins each) Back pain in Pediatrics		SESSION 3
Medical Negligence 14.40-15.20 Panel Discussion Attacks on Doctors - Tips for Protection 15.20-15.40 Tea Break & Interaction SESSION 4 15.40-16.00 Debate Dengue Fever: Outpatient or Indoor Management? 16.00-16.20 Guest Lecture Pediatric Pulmonology in Low Resource Settings 16.20-17.00 Mixed Bag (10 mins each) Back pain in Pediatrics	14.00-14.20	
Attacks on Doctors - Tips for Protection Tea Break & Interaction SESSION 4 15.40-16.00 Debate Dengue Fever: Outpatient or Indoor Management? 16.00-16.20 Guest Lecture Pediatric Pulmonology in Low Resource Settings 16.20-17.00 Mixed Bag (10 mins each) Back pain in Pediatrics	14.20-14.40	
SESSION 4 15.40-16.00 Debate Dengue Fever: Outpatient or Indoor Management? 16.00-16.20 Guest Lecture Pediatric Pulmonology in Low Resource Settings 16.20-17.00 Mixed Bag (10 mins each) Back pain in Pediatrics	14.40-15.20	
15.40-16.00 Debate Dengue Fever: Outpatient or Indoor Management? 16.00-16.20 Guest Lecture Pediatric Pulmonology in Low Resource Settings 16.20-17.00 Mixed Bag (10 mins each) Back pain in Pediatrics	15.20-15.40	Tea Break & Interaction
Dengue Fever: Outpatient or Indoor Management? 16.00-16.20 Guest Lecture Pediatric Pulmonology in Low Resource Settings 16.20-17.00 Mixed Bag (10 mins each) Back pain in Pediatrics		SESSION 4
Pediatric Pulmonology in Low Resource Settings 16.20-17.00 Mixed Bag (10 mins each) Back pain in Pediatrics	15.40-16.00	
Back pain in Pediatrics	16.00-16.20	
	16.20-17.00	Mixed Bag (10 mins each)
