

PEDICON 2025

36. Competency-based skill and simulation training workshop

08th January 2025 | Venue - All India Institute of Medical Sciences Bibinagar, Hyderabad

Coordinator - Dr. Madhusudan, Dr. Mounika Reddy

Time	Topic	Speaker
	Workshop Objectives	
	Role of simulation in Competency-Based Medical Education (CBME)	
	Simulation-based skill training	
	Designing a simulation scenario	
	Integration of AETCOM and team dynamics using simulation	
	Designing and evaluating OSCE stations and checklists	
	Integrating technology in monitoring and tracking students' performance	
	Debriefing techniques	
	Setting up a skills lab	
	Course Content	
	Lectures	
	Demonstrations	
	Small-group activities	
	Case scenarios using simulators – manikins and task trainers	
	Target Audience	
	Medical college faculty	
	DNB teachers	
	Senior residents
