

PEDICON 2025 | 8th -12th January 2025**SCIENTIFIC PROGRAM****12th January 2025, Sunday | Hyderabad Hall 1**

Time	Topic
08:00 - 09:30	Chapter Symposium: Non-Communicable Disease
08:00 - 08:20	Breastfeeding and Protection against NCDs in later life
08:20 - 08:40	Pediatric Primary Hypertension: An Underrecognized Condition
08:40 - 09:30	Panel Discussion: Metabolic Wellness, Sleep, and NCDs
09:30 - 10:45	Guest Lectures
09:30 - 09:55	Pediatric Leprosy
09:55 - 10:20	The Hidden Crisis: Sexual Violence Against Children
10:20 - 10:45	From Exploitation to Empowerment: A Call to Action Against Child Labor
10:45 - 11:30	Panel Discussion
	Cannabis Use & Adolescent Health
11:30 - 12:30	PG QUIZ FINAL
12:30 - 01:20	Young & Impactful Super 5
12:30 - 12:40	Ringworm Ruckus: Tackling Cutaneous Fungal Infection
12:40 - 12:50	Gentle Connections: Touch Therapy for Neurodevelopmental Progress
12:50 - 01:00	Interpretation of CSF Report
01:00 - 01:10	Early Detection of Pediatric Osteomyelitis
01:10 - 01:20	Little Feet, Big Concerns: The Flat Foot
01:20 - 02:00	Panel Discussion
	Pediatric Bone Marrow Transplant: Challenges and New Directions
02:00 - 03:00	Valedictory Ceremony

12th January 2025, Sunday | Warangal Hall 2

Time	Topic
08:00 - 09:30	Chapter Symposium: Genetics
08:00 - 08:20	Next Generation Sequencing (NGS) based genetic tests in Clinical Practice
08:20 - 08:40	Gene Therapy: Principle and Practice
08:40 - 09:30	Panel Discussion: Genetic counselling of common Genetic Disorders
09:30 - 10:45	Guest Lectures
09:30 - 09:55	Interventional Pediatric Respiratory Medicine: Scope & Limitations
09:55 - 10:20	Roadblocks in Research
10:20 - 10:45	Role of IAP in Furthering International Training
10:45 - 11:30	Panel Discussion
	From Policy to Practice: Child Rights Every Pediatrician Should Champion
11:30 - 12:20	Panel Discussion
	Allergic Rhinitis in Kids: Diagnosis, Management, and Lifestyle Solutions
12:30 - 01:20	Young & Impactful Super 5
12:30 - 12:40	Galactomanan Antigen Test
12:40 - 12:50	Interleukin 6
12:50 - 01:00	Xpert CARBA-R
01:00 - 01:10	MALDI-TOF
01:10 - 01:20	Pyrosequencing
01:20 - 02:00	Panel Discussion
	Dr Google Vs The Pediatrician: Scenario based discussion

12th January 2025, Sunday | Hall 3 - Adilabad

Time	Topic
08:00 - 09:30	Chapter Symposium: Cardiology
08:00 - 08:20	Heart Failure and Transplantation in Pediatric Patients
08:20 - 08:40	Long term outcomes in Congenital Heart Disease Survivors
08:40 - 09:30	Panel Discussion: Evolving Scope of Interventional Cardiology
09:30 - 10:45	Guest Lectures
09:30 - 09:55	Adoption Simplified: A Deep Dive into CARA Guidelines
09:55 - 10:20	Clinical clues for Neuromuscular weakness in Children
10:20 - 10:45	Mapping the Mind: Clinical Compass for CNS Localization
10:45 - 11:30	Panel Discussion
	Empowering the Nation : IAP ki Baat Community ke Saath
11:30 - 12:30	Meet the Experts
11:30 - 12:00 PM	Neurological Manifestations of Nutritional Deficiency
12:00 - 12:30 PM	Super Refractory Status Epileptics (Case based)
12:30 - 01:20	Young & Impactful Super 5
12:30 - 12:40	Combating Intestinal Parasitic Infestations
12:40 - 12:50	Newer Strategies in Malaria Management
12:50 - 01:00	Systemic Manifestations of Chikungunya
01:00 - 01:10	Nipah Virus Encephalitis
01:10 - 01:20	Rubella in the Post-Vaccine Era
01:20 - 02:00	Panel Discussion
	Acute Flaccid Paralysis

12th January 2025, Sunday | Karimnagar Hall 4

Time	Topic
08:00 - 09:30	Chapter Symposium: Medical Education
08:00 - 08:20	Quality in Medical Education
08:20 - 08:40	MEC Plans for 2025
08:40 - 09:30	Panel Discussion: Challenges Faced by IAP in Medical Education
09:30 - 10:45	Guest Lectures
09:30 - 09:55	Journey of NRP in India
09:55 - 10:20	Strategies for Managing Neonates with Complex Cardiac Conditions
10:20 - 10:45	When Yellow Signals Danger: Neonatal Hyperbilirubinemia
10:45 - 11:30	Panel Discussion
	Grassroots Solutions: Community Initiatives for Environmental Health
11:30 - 11:50	Meet the Experts
	Leptospirosis : Diagnosis And Management
11:50 - 12:30	Panel Discussion
	Catch Them Early: Recognizing The Red Flags In Neuro Developmental Disorders
12:30 - 01:20	Young & Impactful Super 5
12:30 - 12:40	Screen Time and Sedentary Behavior: Impacts on Children's Health
12:40 - 12:50	Diabetes in the Young: Early Detection and Innovative Interventions
12:50 - 01:00	Tackling Refractive Errors Early
01:00 - 01:10	Amoebic Liver Abscess
01:10 - 01:20	Bow Legs
01:20 - 02:00	Panel Discussion
	Pain Management in Pediatric Practice

12th January 2025, Sunday | Mahabubnagar Hall 5

Time	Topic
08:00 - 09:30	Chapter Symposium: Computer & Medical Informatics
08:00 - 08:20	Parental Control Apps
08:20 - 08:40	mHealth in Pediatrics
08:40 - 09:30	Panel Discussion: Cyber Frauds
09:30 - 10:45	Guest Lectures
09:30 - 09:55	Brucellosis In ChildDren : A Hidden Threat
09:55 - 10:20	Integrating Developmental & Behavioral Pediatrics In Primary Care
10:20 - 10:45	Mental Health Matters: Tackling Anxiety and Depression as NCDs in Pediatrics
10:45 - 11:30	Panel Discussion
	Stabilization of the Sick Child: From Assessment to Action
11:30 - 12:30	Meet the Experts
11:30 - 12:00	FB In Airways: Diagnosis And Management
12:00 - 12:30	Protracted Bacterial Bronchitis
12:30 - 01:20	Young & Impactful Super 5
12:30 - 12:40	Bright Beginnings: District EIC at Work
12:40 - 12:50	Need for Newborn Hearing Assessments
12:50 - 01:00	Key Advice for NICU Graduates at Discharge
01:00 - 01:10	Strategies against Neonatal Hypoglycemia
01:10 - 01:20	Silent Struggles: Managing Respiratory Distress in Neonates
01:20 - 02:00	Panel Discussion
	Collaborative Care: Empowering ChildDren with Developmental Delays

12th January 2025, Sunday | Hall 6 - Medak

Time	Topic
08:00 - 09:30	Chapter Symposium: Dermatology
08:00 - 08:20	Bullae in Neonates
08:20 - 08:40	Management of Atopic Dermatitis
08:40 - 09:30	Panel Discussion: Common Skin Problems in ChildDren
09:30 - 10:45	Guest Lectures
09:30 - 09:55	Learning in Action: The Role of Simulations in Modern Education
09:55 - 10:20	Smart Learning: Information Technology's Role in Shaping Future Physicians
10:20 - 10:45	Engaging the Gen Z: Innovative teaching methodologies for the Gen Z
10:45 - 11:30	Panel Discussion
	Beyond Grades: Challenges & Innovative Strategies for Student Assessment
11:30 - 12:30 PM	Young & Impactful Super 5
1:30 - 1:40	Advances In Management Of Meconium Aspiration SynDrome
1:40 - 1:50	Preventing BPD
1:50 - 2:00	PPHN
2:00 - 2:10	Neonatal Pain Management
2:10 - 2:20	Neonatal Screening Test: Facts & Fiction
12:30 - 1:20	Meet the Experts
12:30 - 12:55 PM	The Role of AETCOM in Holistic Medical Training
12:55 - 1:20 PM	Publishing Research : Things To Avoid
1:20 - 2:00 PM	Panel Discussion
	Practical Tips for Overcoming Fussy Eating in ChildDren

12th January 2025, Sunday | Khammam Hall 7

Time	Topic
08:00 - 09:30	ICANCL - Chapter Symposium Child Abuse
08:00 - 08:20	Building Effective Partnerships with Child Protective Services: Strategies for Communication, Collaboration, and Case Management
08:20 - 08:40	Complex Child Abuse Cases
08:40 - 09:30	Panel Discussion: Child Safety and Wellbeing: a) Recognizing and Responding to Child Abuse b) Preventing Child Injuries, Accidents and environmental safety c) Safeguarding Children from Online Harms
09:30 - 10:45	Guest Lectures
09:30 - 09:55	Cerebral Palsy Mimics
09:55 - 10:20	Combating MDR Bugs in Critical Care Settings
10:20 - 10:45	New Insights in Pediatric Sepsis
10:45 - 11:30	Panel Discussion
	Skin Manifestations of Systemic Disorders
11:30 - 12:30 PM	Meet the Experts
11:30 - 12:00 PM	Whole Genome Sequencing In Pediatrics : Current Status & Future Directions
12:00 - 12:30 PM	Viral Pneumonia Spectrum : Diagnosis & Management
12:30 - 1:20 PM	Young & Impactful Super 5
1:30 - 1:40	Smart Balance: Juggling Pediatric Practice and Family Life
1:40 - 1:50	RESOMAL
1:50 - 2:00	Newer Ways Of Managing Obesity
2:00 - 2:10	Professional Indemnity
2:10 - 2:20	ROPScreen : When And Why?
1:20 - 2:00 PM	Guest Lectures
	Decoding X-rays: A Spot Diagnosis Session for Clinicians

12th January 2025, Sunday | Hall 8 - Nalgonda

Time	Topic
08:00 - 09:30	Chapter Symposium: Pediatric & Adolescent Nutrition
08:00 - 08:20	Severe Acute Malnutrition Guidelines: Recent Changes
08:20 - 08:40	Nutritional Rehabilitation in Chronic Disorders in Children
08:40 - 09:30	Panel Discussion: Prevention and Management of Early Growth Failure
09:30 - 10:45	Guest Lectures
09:30 - 09:55	The UTI Puzzle: Solving the Riddle of Difficult-to-Treat UTIs
09:55 - 10:20	Chronic Kidney Disease in Children: Long-Term Goals and Effective Management
10:20 - 10:45	Backflow Blues: Navigating Vesicoureteric Reflux in Pediatric Care
10:45 - 11:30	Panel Discussion
	Financial Literacy For Doctors
11:30 - 12:30 PM	Meet the Experts
11:30 - 12:00 PM	Sleep Disorders In Children
12:00 - 12:30 PM	Vaccine Development For Emerging Infectious Diseases: Challenges And Opportunities
12:30 - 1:20 PM	Young & Impactful Super 5
1:30 - 1:40	VIT A
1:40 - 1:50	VIT B COMPLEX
1:50 - 2:00	VIT C
2:00 - 2:10	VIT E
2:10 - 2:20	VIT K
1:20 - 2:00 PM	Panel Discussion
	Starting Strong: Best Practices in Caring for High-Risk Newborns

12th January 2025, Sunday | Hall 9 - Nizamabad

Time	Topic
08:00 - 09:30	Chapter Symposium: Research In Child Health
08:00 - 08:20	Research for Clinical & Policy Elevance
08:20 - 08:40	Research by Young Professional: Enabling Mechanism
08:40 - 09:30	Role of IAP, Medical Colleges/Institution & Regulatory Bodies
09:30 - 10:45	Guest Lectures
09:30 - 09:55	Approach to a Syndromic child
09:55 - 10:20	Approach to a Child with Sridor
10:20 - 10:45	Approach to a Child with Immunodeficiency
10:45 - 11:30	Panel Discussion
	Approach to Common Metabolic Disorders in Children
11:30 - 12:30 PM	Meet the Experts
11:30 - 12:00 PM	Caring for Blue Hearts: Management of Cyanotic Heart Disease in Children
12:00 - 12:30 PM	Strategies For Baby Proofing In Indian Households
12:30 - 1:20 PM	Young & Impactful Super 5
1:30 - 1:40	Hand, Foot, and Mouth Disease
1:40 - 1:50	Pertusis
1:50 - 2:00	Scarlet fever
2:00 - 2:10	Impetigo
2:10 - 2:20	Diphtheria
1:20 - 2:00 PM	Panel Discussion
	Snake Bite And Scorpion Stings: Challenges And Controversies
